# I Saw Her Standing There – The Beatles

Well she was just seventeen and you know what I mean

And the way she looked was way beyond compare

So how could I dance with another ..oooh,

when I saw her standing there

Well she looked at me and I, I could see

That before too long I'd fall in love with her

She wouldn't dance with another .. oooh

when I saw her standing there

Well my heart went boom when I crossed that room

and I held her hand in mine .....

Well we danced through the night and we held each other tight

And before too long I fell in love with her

Now I'll never dance with another ... oooh

Since I saw her standing there

Well my heart went boom when I crossed that room

and I held her hand in mine .....

Well we danced through the night and we held each other tight

And before too long I fell in love with her

Now I'll never dance with another ... oooh

Since I saw her standing there .. **repeat line twice more**
